Extraordinary General Meeting Scheduled for December 14, 2022

London, Nov. 21, 2022 /PRNewswire/ - ECARX Holdings, Inc. ("ECARX"), a global mobility technology company, today announced that its registration statement on Form F-4 (the "Registration Statement"), in connection with its previously announced proposed business combination (the "Business Combination") with COVA Acquisition Corp. ("COVA"), has been declared effective by the U.S. Securities and Exchange Commission (the "SEC").

The declaration of effectiveness by the SEC and the filing of the definitive proxy statement is an important step towards ECARX becoming a publicly traded company, with the goal of being listed on The Nasdaq Stock Market LLC under the symbol "ECX" following the close of the transaction.

As previously announced, the transaction represents a combined company pro forma equity value of approximately \$3.82 billion, assuming no redemptions by COVA's shareholders. It includes \$300 million cash held in trust by COVA as well as \$110 million in additional capital from strategic partners, Geely Holding Group and Luminar, and convertible note holders including Lotus Technology, SPDB International (Hong Kong) Limited and CNCB (Hong Kong) Investment Limited.

COVA will hold an Extraordinary General Meeting of Shareholders at 9:00 a.m. Eastern time on December 14, 2022, to approve the previously announced business combination with ECARX. Shareholders of record at the close of business on November 8, 2022, will be entitled to receive notice of and to vote at the Extraordinary General Meeting. The meeting will be held virtually over the internet by means of a live audio webcast. Shareholders will be able to attend and vote their shares during the Extraordinary General Meeting via a live webcast available at www.virtualshareholdermeeting.com/COVAU2022SM.

At the closing, current ECARX shareholders will roll their existing equity holdings into the post-business combination company. The transaction, which has been unanimously approved by the board of directors of both COVA and ECARX, is expected to close in the fourth quarter of 2022, subject to approvals by shareholders of COVA and ECARX, respectively, and satisfaction or waiver, as applicable, of other customary closing conditions.

Proceeds from the transaction will be used to accelerate technology development and the roll-out of new products, support strategic acquisitions and investments, as well as create further pathways for global growth and profitability by the end of 2024.
