

## ECARX Strengthens Global Leadership Team with Appointment of Dylan D. Jeng as Chief Financial Officer

March 23, 2026 at 7:00 AM EDT

LONDON, March 23, 2026 /PRNewswire/ -- ECARX Holdings, Inc. (Nasdaq: ECX) ("ECARX" or the "Company"), a global mobility tech provider, today announced the appointment of **Dylan D. Jeng** as Chief Financial Officer (CFO), effective immediately.

In his role as CFO, Dylan Jeng will be based in ECARX's Singapore office where he will oversee all global financial strategy, planning, treasury, investor relations, and financial operations, driving financial discipline and scalability to support ECARX's accelerated global expansion.

Mr. Jeng brings over two decades of international financial leadership experience across the technology and pharmaceutical sectors, with considerable experience at major accounting firms. Mr. Jeng comes with a proven track record in scaling global businesses, optimizing capital allocation, and delivering sustainable financial performance. His expertise spans cross-border financial management, global supply chain finance, investor relations, and prudent financial strategies, all critical capabilities as ECARX executes on its global growth strategy, including expanding its footprint across Europe, Southeast Asia, and the Americas, and deepening partnerships with leading global OEMs.

### **Ziyu Shen, CEO of ECARX said:**

"Dylan's exceptional global financial acumen and deep industry knowledge make him the ideal leader to steer ECARX's financial strategy as we enter our next phase of global growth. As a global mobility tech company with operations across 13 key markets worldwide, we are building a world-class executive team to match our global ambitions. Dylan's leadership and experience will be instrumental in driving financial efficiency, unlocking high-value growth, and delivering long-term value for our shareholders, partners, and employees."

### **On his appointment, Dylan Jeng commented:**

"I am thrilled to join ECARX during this transformative moment for the automotive industry, and the company. ECARX has established itself as a pioneer in full-stack intelligent automotive solutions, with a unique global footprint, industry-leading technology, and partnerships with some of the world's most renowned automakers. I look forward to working closely with the CEO, Ziyu Shen, and the greater ECARX leadership team to build on the company's strong foundation and align our financial strategy with our vision to accelerate the world's transition to software-defined vehicles."

### **About ECARX**

ECARX (Nasdaq: ECX) is a global automotive technology provider with capabilities to deliver turnkey solutions for next-generation smart vehicles, from the system-on-a-chip (SoC) to central computing platforms and software. As automakers develop new vehicle architectures, ECARX is developing full-stack solutions to enhance the user experience while reducing complexity and cost.

Founded in 2017 and listed on the Nasdaq stock exchange in 2022, ECARX now has over 1,400 employees based in 13 major locations in UK, USA, Brazil, Singapore, Malaysia, Sweden, China and Germany. To date, ECARX products and services can be found in approximately 11 million vehicles worldwide.
